

Dolores Zohrab Liebmann Fellowship

“The Dolores Zohrab Liebmann Fund was established by the Will of Dolores Zohrab Liebmann. Mrs. Liebmann was the daughter of a prominent Armenian intellectual, writer and statesman and was married to one of the owners of a successful American business. She supported students and educational and charitable organizations during her lifetime. Mrs. Liebmann’s primary concern, as expressed in her Will, was to attract and support students with outstanding character and ability who hold promise for achievement and distinction in their chosen fields of study. The trustees welcome applications from students of all national origins who are United States citizens.”
