3. _____

Members of the dissertation committee:

Dissertation chair and department	Committee member and department
Committee member and department	Outside committee member and department

Designated Emphasis:

Note: If you have been admitted to an approved Designated Emphasis (DE), specify below and obtain the signature of the DE Head Graduate Adviser.

Designated emphasis	Signature of Designated Emphasis Head Graduate Adviser
Designated emphasis	Signature of Designated Emphasis Head Graduate Adviser

Please check the appropriate box *(must be completed by the student):*

1. My research project *does not* involve human subjects or vertebrate animals.
Note: If your research involves human or live animal subjects, you must take the appropriate online Collaborative Institutional Training Initiative (CITI) course and print out the certificate of completion to submit with this application for candidacy. Your application will not be accepted without the CITI certificate.
2. My research project involves human subjects. I understand that I must (a) obtain protocol approval or a determination of exemption from the Committee for Protection of Human Subjects (CPHS) *prior* to the initiation of the research, and (b) inform the Graduate Division of the protocol number within six months of the advancement to candidacy date.
 - 2a. I have completed and passed all of the modules for the Biomedical or Social-Behavioral course pertaining to human subjects research as offered by the CITI program and a copy of my certificate of completion of the course is attached.
3. My research project involves live vertebrate animals. I understand that I must (a) obtain protocol approval from the Animal Care and Use Committee (ACUC) *prior* to the initiation of the research, and (b) inform the Graduate Division of the protocol number within six months of the advancement to candidacy date.
 - 3a. I have completed and passed either the Biomedical or Social-Behavioral Collaborative IRB Training Initiative (CITI) Program and a copy of my certificate of completion for the course is attached.

Major: _____

Name: _____

(Last, first, middle)

Qualifying examination committee:

Committee chair and department _____

Date examination passed _____

Required language(s) and term/year completed:

1. _____

2. _____

3. _____

4. _____

Instructions

To be eligible for advancement to candidacy, you must have:

- 1) satisfied the foreign language requirement, if applicable;
- 2) passed your Qualifying Examination;
- 3) no more than two courses graded incomplete;
- 4) a minimum 3.0 grade-point-average in all upper division and graduate work taken in graduate standing; and
- 5) fulfilled any other departmental requirements.

If you have satisfied the eligibility requirements listed above, complete this application and obtain signatures from the Head Graduate Adviser for your major and your Dissertation Committee Chair. File the advancement form no later than the end of the semester following the one in which you passed the Qualifying Examination. If you are in a program eligible for the Dean's Normative Time Fellowship (DNTEF), please be aware of the deadline for submitting the advancement form to be eligible for the DNTEF.

If you will be conducting research using human subjects, you are required to first take the online Collaborative IRB Training Initiative (CITI) course (<https://www.citiprogram.org/default.asp>) and submit a copy of the CITI Course Completion Record with this application. For more information, contact the Office for Protection of Human Subjects (<http://cphs.berkeley.edu>).

Submit this form and a check in the amount of \$90 made payable to the Regents of the University of California to Graduate Services Degrees, 318 Sproul Hall #5900, UC Berkeley, Berkeley, CA 94720-5900.
