

Graduate Division Student Parent Grant

The Graduate Division administers a need-based grant for graduate students (single, married, or registered domestic partners) living with dependent children. Grants may be applied toward housing/living expenses, dependent health insurance, child care, and/or tuition. If funding permits, awards of up to \$10,000 per year (\$5,000 per academic term) will be made to eligible applicants.

To be eligible, a graduate student must:

- live with at least one dependent child who is under the age of 18 at the start of the term,
- file a 2016 – 17 Free Application for Federal Student Aid (FAFSA) and demonstrate financial need,
- be making satisfactory progress in his or her academic program,
- be no more than two years past “normative time to degree” in 2016-17, and
- remain registered during each term of funding.

Note: International students are not eligible, nor are students in self-supporting programs (MFE, LLM, Evening & Weekend MBA, Berkeley-Haas Executive MBA, On-Campus/Online Professional MPH, Part-time MEng, MAS-IC, and MIDS).

The Berkeley International Office administers a separate parent grant program for **international students**: <http://internationaloffice.berkeley.edu/aid/>.

The application deadline is July 15, 2016. Parents of children born after the deadline may still submit applications, with prorated grants awarded as funding permits. Applications are submitted online in **Tango**: <http://tango.berkeley.edu/>.
