

ITS CALIFORNIA 2016 SCHOLARSHIPS

For Graduate Studies In Intelligent Transportation Systems (ITS)

AWARD: A scholarship to advance academic studies and career in the field of ITS.

DEGREE: A graduate degree (Masters or Ph.D.) program in any ITS-related field including transportation planning, engineering, transit, transportation policy, or related.

VALUE: \$2,500 for the 2016-17 academic year.

PLACE: An accredited college or university in California.

Application Requirements ...

Selection will be based on academic ability, stated career objectives and interests, and supporting letters of reference. To be eligible, candidates must be living in the State of California and provide:

1. Official and most recent transcript showing courses relevant to ITS;
2. List of courses the candidate is currently enrolled in;
3. Proposed list or list of courses enrolled in for 2016-17 academic year;
4. Evidence of registration and/or acceptance for study in a graduate program at an ABET or WASC accredited California college or university;
5. Two (2) letters of reference that include assessment of the candidate's academic ability and record, commitment to a career in ITS and any other personal attributes which indicate that the candidate is worthy of the award; and,
6. An essay not to exceed 1,500 words indicating career objectives and particular interests in ITS.

APPLICATION DEADLINE: June 1, 2016

Applications must meet all requirements to be considered. Incomplete applications will not be reviewed.
