

STEM*FYI X SACNAS

Holiday Self-Care Day

DECEMBER 9, 1:30-3:00PM PT

The Office for Graduate Diversity invites you to attend an event dedicated to **YOU** and **YOUR** self-care, presented by STEM*FYI and SACNAS! This meeting we will be asking the question: "*IF you weren't a scientist, where would you be right now?*" Join us as we get together, celebrate each other, play games, and give away virtual gifts (Amazon/GrubHub gift cards).
